**IT'S TIME WE QUIT** with the "corporation" crap put out by Information Clearing House and "presstitute" deception put out by Gerry Celente and Paul Craig Roberts.

Jews...NOT "corporations" and "presstitutes"...OWN and CONTROL the media. Period.

What are Tom Feeley, Gerry Celente, and PC Roberts afraid of?

That they will offend Christ-killers and liars?

For that's what Jews are...and to America's grave misfortune...JEWS **own** the press, media, **and** Hollywood. And thus they brainwash and form the minds and opinions of the Goys.

Did you know that America was once on **friendly terms** with Russia?

But due to **Jew-hatred** of Orthodox Christian Russia, they have **poisoned** the minds of the Goyim *via* the media against Russia.

**Here's Your Jewish Guide To The Media** (and who controls your minds):

- **NBC/Universal Studios** is **owned** by the Jew, **Brian Roberts**.
- **CBS/MTV/Paramount Pictures/Viacom** is **owned** by the Jew, **Murray Rothstein** (aka **Sumner Redstone**).
- **ABC/Disney** is **run** by the Jew, **Robert Iger**, who is Chairman & CEO.
- **CNN/Time Magazine** is primarily **owned** by the Jew, **Aviv Nevo**, with the Jew, **Jeff Zucker**, as president.
- **FOX News/Wall Street Journal/New York Post/20th Century Fox** is **owned** by the Jew, **Rupert Murdoch**, whose **mother** Elisabeth Joy Greene, was a Jew. (Jews trace their racial identity from their mother.)
- **The New York Times** is **owned** by the Jewish Sulzberger family, the major **influence** behind Columbia University. Arthur Sulzberger Jr is current **Chairman** of The NY Times.
- **Numerous Newspapers & Magazines** **throughout** North America are **owned** by the Jewish **Newhouse family**.

**SAY IT** Paul, say it Gerry, say it Feeley: JEWS own the media.

You see dear Paul, Gerry, and Feeley, JEWS who own and run the media do not "presstitute" themselves to their Synagogue buddies who own and control Washington DC.

They're more like in a Jewish marriage that joins *lies and an agenda* in a copulating union.

But for *fear of the Jews* so-called 'truthers' can't muster up the courage to state the FACT:

JEWS...NOT "corporations" and "presstitutes"...OWN the media. I rest my case.

Dear Real Jew News Family,

I am SICK AND TIRED of the COWARDS who can't seem to tell it like it is:

JEWS...NOT "corporations" NOT "presstitutes" OWN and RUN the Media. Period.

Why can't they say it?

What is Paul Craig Roberts, Tom Feeley (the miserable atheist and with heart problems at that), Gerry Celente, and the Saker/Faker, AFRAID of?

That they will offend CHRIST-KILLERS? That they will offend LIARS and DECEIVERS?

I, +Brother Nathanael Kapner, am NOT AFRAID to STATE the TRUTH.

Even though YouTube BANS my Videos, NO ONE except for Rense.com posts my Articles, and I get DEATH THREATS all the time, I WILL name the wicked JEWS who have ruined America.

I don't care. I will DIE for the TRUTH. Jesus Christ IS THE TRUTH!

You are awesome as always brother Nate.

Nobody has the 'stones' to tell it like it is and as accurately as you do. Many people count on you to tell the truth and speak out against the evil-doers of this world.

Thank you for your brilliant testimony.

Dear +BN,

Terrific Article yet once again done with your usual conciseness.

Roberts, Celente, and Feeley all need a match lit under their butts.

It's all well and good to paint out the Big Picture in broad strokes, and there are times when it comes to discussing government domestic and foreign policy that it doesn't have to be all Jews all the time.

But it does no one a lick of good if these popular and usually astute men completely avoid the the problem of extreme Jewish influence and presence in American culture, government, media, education and banking. To remedy that is to name the Jews' names and their organizations.

Nor do Roberts, Feeley and Celente approach the political machinery and actions of the Tribe's myriads of interlocking directorates of Jewish organizations working in concert to keep our domestic and foreign policies honed for their own national interests — a situation that you sometimes lump together as someone's "Synagogue Buddies."

The Synagogue, as far as the Jew is concerned, is the first place that politics are discussed and actions are planned more often than not, and are essential cogs in the Tribe's political machine.

The avoidance of mentioning anything about involved Jews in America's numerous problems, who are everywhere present in far higher percentages than their demographic numbers would indicate, just means that Roberts, Celente and Feeley, among many others, live "in fear of the Jews."

Good grief, the softie White liberals like Carter, Walt, and Mersheim did far more to shed light on America's Jewish problem than do the three guys named in this Article.

Anyway, thank you again, dear +BN, for keeping us updated on the Jew-owned media shell game.

The Scriptures trace patriarchal lineage, not matriarchal.

Are the so called 'Jews' afraid to have the sins of the fathers traced back?

What is it with the matriarchal stuff?

Brother Nathanael,

Great stuff!

Add 'Zero Hedge' to the mental masturbation crowd; they are all 'good' at stating the 'why' and 'how' the chosen tribe manipulates us; but when it comes to exposing the 'who', that same crowd is filled with fear and loathing; Jews, that's who.

A germane historical precedent is Martin Luther; his protestant reformation was top heavy in intellectual discourse but there was a dearth in the form of true scriptural support.

More clever theology was Luther's end product; that tack is useless in the Christians' struggle against the real enemy: Jews who would rather follow Satan. Not convinced? Look at their 'works' in the media.

Just as you have enunciated so well in your video. Clear as church bells!

Keep 'em coming.

Learned of your physical 'misfortune'. Hope you are on the mend. Prayers sent.

**Eileen K.**

Thank you once again for naming the true owners of both print and broadcast media, Br. Nathanael.

A vast majority of Americans still don't know this. Why? It's those who know who the real owners are but don't call them out because they fear the loss of their careers and the perks that go with them; namely, Celente, Feely, and Roberts.

Jews have wrapped their tentacles around the USSA's institutions of government, education, entertainment and finance, just as an octopus wraps its tentacles around its prey.

This government takes its orders from Tel Aviv, just as previous ones had. The writers and editors of Veterans Today don't hesitate to point their fingers on the Jews, whether its about Ukraine, Palestine, Iran, or ISIS. Preston James, Jim Dean and Gordon Duff don't hesitate to name the Jew; yet, they still retain their careers.

As we see, Veterans Today is read by hosts of current and former military personnel, whose attitudes toward Jews and Israel bear suspicion and mistrust.

"We now control 37 newspapers, 6 radio stations, 314 theatres, 642 movies, 101 magazines, 237 book publishers, 7,384 book dealers and printers, and conduct about 15 public opinion surveys a month, as well as publish one newspaper with 1,500,000 circulation, 3 magazines, run the Associated Press of Germany (DANA), and operate 20 library centers."

When I say things like this in comments sections of other web sites I get trashed and called all manner of nasty names. Brother Kapner, you must have a thick skin.

I found I can say the truth all I want on other sites as long as I don't mention the J word. If I mention "They-who-must-not-be-named", all kinds of mayhem breaks out. At least it's not illegal in the US... Yet.

One way to deal with it is to defund the media by boycotting TV.

I watch no TV personally. I have also quit funding the media in my practice.

Monsanto and other entities that poison us or take away our freedom needs to be defunded. Finally, I am shopping for a country that is free and not Jewish controlled. Eventually I will move there.

Nothing hurts them worse than cutting their financial nuts off. Quit being a slave to the bastards.

Luther indeed had no problems with the Jew for many years - until his eyes were opened by a friend. As a result of that revelation he wrote the book - The Jews and Their Lies.

Before you write off Luther, perhaps you should check his book?

## Stone Age Man

Even in a faraway island country like Papua New Guinea, Jewish media is destroying both

traditional and Christian culture.

The Jew Rupert Murdoch owned Post Courier has recently published headlines about prostitution and the need to legalize it successively for the last five days. This is in a young developing country where majority (90%) are Christians.

American Dispensationalism has invaded the Christian churches, especially the Protestant Evangelical churches, such that Israel has become very special to the point where one wonders whether Jesus Christ is even given second place.

The belief that he who blesses Israel will be blessed and he who curses Israel will be cursed is so firmly entrenched.

Without your articles and sermons, Brother Nathanael, I would have remained buried in the dark worshipping a nation-state instead of a Person, Jesus Christ.

Thank you, Bro. Nathanael.

I will definitely send some money to support you in your ministry when I get my pay in a few days time.

## Dr Samuel Cross

Brother Nathanael,

**Great article. I am honored to serve on your Foundation's Board of Advisers.**

The Jews control the media, the money (Federal Reserve), the US foreign policy (control of Congress and the president), and the morals (Jews control evil Hollywood).

The Jews have total control of the US. The US is finished and will die since the Goyim are brain dead.

## BuelahMan

February 25, 2015 @ 6:00 am

All these you list are obviously subservient to the Jew, misleading their readers/followers.

And the Synagogue of Satan owns our government.

Here is a terrific book I recently discovered that illustrates my point of how Jews and Masons have cleverly manipulated the US and UK in the 20th Century.

<http://www.resist.com/Onlinebooks/StateSecrets-Poncins.pdf>

It is a "gem" on history as we do not read today. Published in 1974, it is written by a French aristocrat. Léon de Poncins was a French aristocrat, journalist and essayist, the author of a wide range of celebrated books exposing the subversive influences which are destroying Christian civilization.

The Viscount is a key source on what has happened in the Christian world in the 20th century. He spoke openly and forcefully about Jews conspiring with Masons.

In the book referenced above, De Poncins relies on a handful of little known but generally available documents that illustrate how the Synagogue of Satan, that is, Talmudic Jews and Masons, essentially orchestrated many of the world's affairs between England and America.

His sources are quite genuine. Like you Brother Nathaniel, he spares no punches against Zionist Jews and Masons showing how they cleverly twisted the arm of the English and successfully manipulated American public opinion to serve the Zionist agenda.

## Alan Rossiter.

February 25, 2015 @ 6:50 am

Dear Brother Nathanael,

May I offer a polite suggestion?

**It's for those dear people who write that they will send you some support next pay day; next month; or who knows when.**

Perhaps it would be best if they simply send you the support!

As for those other people who write that they have no money to spare, perhaps they could sell the "jew tube" they have in their living room and give the proceeds to you.

That way, they would be decontaminating their homes and helping you. Then they would be twice blessed.

Much love in Christ, Alan...Down Under.

## The Chosen Ones

@Bill

Re: moving to another country.

That's easy. You may find your answer by selecting any country that is demonized by the "Western press." The few remaining would be your best choice to move to.

Scratch a couple off the list due to recent events i.e. Libya, Syria; basically any country that does not have a Rothschild controlled central bank / IMF membership. There are only a few choices left: North Korea and maybe three or four more. I don't recall them at this time but I hope this helps.

What is truly needed is to outlaw "USURY". Then the healing may commence. Also, as an aside, The "Justinian Code" should be studied and possibly modified to "modern society".

BTW +BN what is the position of the "Orthodox Christian Church" concerning usury?

## Chuck Hoskins

February 25, 2015 @ 8:15 am

Brother Nathanael,

Only you dressing like you do, and with the Jewish background that you have, can get away with criticizing Jews like this.

Anyone else would be called a Jew-hater.

Keep it up with the truth.

## Ft. Nolan

February 25, 2015 @ 8:58 am

If it's a matter of semantics.

Remember there are "...them which say they are Jews, and are not, but are the synagogue of satan" (Rev 2:9, 3:9) which Brother Nathanael's recent video exposes being the atheistic (satanic) Jews. It is these adherents who control and manipulate society and life on this Earth.

They are extracted from the Khazars and not the Semitic peoples. If semantics matter, we can always refer to these "Jews" as being Khazars. For example, "he's a Khaz, she's a Khaz...etc."

Major distinction being that they are Ashkenazi and not Sephardic Jews. "He's an Ashke, she's an Ashke..."

Maybe it is time to refer to their geographic and historical origins versus their supposed religious declarations.

Distinguishing them from the Israelites begins the process of removing them from any promises to Palestine/Israel as a "homeland." Their own awareness to this matter can be seen in their desire to conquer Ukraine for a future homeland.

That might cool a lot of their ire — or make it worse. It depends.

It's like a doctor telling you that you are ill with a sickness and that is all he is telling you.

If he would name the illness and it's specific treatments, you would have some idea of how to treat it and protect yourself and others.

It's like they are afraid their credibility will be questioned.

The only way to prevent a disease from spreading is to educate the people in preventative measures specific to that disease.

Victor,

Good point; yes, I am aware of Luther's rants against the Jews in his book.

However, I have also since learned that when confronted by the Jews, Luther stood down.

Read Stone Age Man's post above; it articulates well my argument: the modern day Protestant Reformation/Evangelicals are still barking up the wrong tree. They don't get it. It's the economy. Stupid. And Jews, through their expansive worldwide media control, are strangling our collective livelihoods.

Is is that simple. Time for 'saved' Christians to stop drinking the 'love-dovey' koolaid...

Why don't Celente or Roberts name names?

Answer: It wouldn't matter if they did name names — although it might result in their premature death by heart attack, cancer, or car accident. The Jewish Banksters have fully infiltrated the US, including the US military....as proven by the inside attack on the Pentagon.

The Jew-controlled Masonic network financially destroys or kills anyone who gains an influential following,...and they do it when it suits them.

Look at what they did to General Petraeus and John Edwards. They Jews sic'ed their little Jewish poopsies on these hot-to-trot goyim to discredit them with the public.

The root of the JewMasonic control is their ownership of the Federal Reserve Bank and all central banks. What we need is for Congress to issue money directly and for more "state" banks on the pattern of South Dakota's.

Veterans Today and Gordon Duff are controlled opposition, like Alex Jones.

What is the magical power of the Self-Chosen Vampires? How is it that 2% can control the other 98% every time? The answer lies in faith, and the US is a Godless hole.

The answer is that the SCV practice occultism, of which the deepest aspects cannot be posted upon your website at all.

It really is not about drinking the blood of babies or engaging in bizarre sexual rituals, but actually akin to the pantheistic notion of communing with the elders, who are also a part and parcel of the Lord Almighty.

I woke up after 9/11. I think we should thank Mossad for that.

Many of us would have remained asleep if the Jews hadn't woken us up with their false flag terrorism.

It is remarkable that it's always Jews that are the leaders of troublemaking, whether it is Perle and Wolfowitz with their Office for Special Tasks at the Pentagon, or Nuland, Pyatt, Gresh, Poroshenko and Yatsenyuk.

For some reason, shabaz Goyim don't quite make the grade. It always has to be Jews. You get the same thing in the UK. Our two top warmongers, Blair and Cameron both have Jewish roots.

Bro Nat,

I know you are not made of money, but this is the one topic I wish you had made a video of, with this EXACT title.

With that title on YOU TUBE, it may have garnered hundreds of thousands, if not millions of views.

You have made no post (and you have made many brilliant ones) that was of more importance to Americans than this one.

Can't wait to meet you here in NYC in mid-March...

Sadly, the Goyim have done their best to become the dummies that the Jews think we are.

We're educated in a certain sense but amazingly ignorant in the large sense. And quite brainwashed. Especially today's kids, most of whom are borderline illiterates - yet think they're extremely smart.

It comes out in certain ways, as when someone you're talking with and who's making sense will suddenly say something bizarre: e.g., African Negroes conquered ancient Egypt....

It's as if an internal switch is flipped — similar to how hypnotists use verbal cues to control the hypnotized. Some kind of deep and extensive psy-op is at work.

If the queer video of Obama were released would it make any difference to today's people?

No.

Recently in Canada Paul Godfrey, publisher of the National Post, and head of the Ontario gaming commission, and gambling lobbyist for Sheldon Adelson in Toronto, put in an offer for the Toronto Sun Chain.

If approved he will control all but 4 English-speaking newspapers in the whole of Canada.

His own paper, the National Post has been losing money for years but it was able to find some Jewish investment bankers and a chain of Los Vegas gambling casinos to pick up most of the tab.

It looks like Jewish owned gambling casinos will soon control Canadian media content for the foreseeable future.

How about some “true” multiculturalism:

The FCC should limit the Jews to ownership of two percent of the public airwaves in proportion to their two percentage of the US population.

Jews are fundamentally liars. They lie mercilessly even to themselves.

Jews lie about everything. Meaning by everything literally “every single thing”. You can’t have a simple truth from a Jew. Even or the most insignificant thing.

I guess there must be some psychiatric, anthropological and sociological explanations for that lying compulsive behavior.

There’s no more racist and disgusting slogan than “the chosen people.” It looks like derived from that slogan, they are taught and trained in the synagogues not to try and do anything but oppress peoples. For that purpose they lie again and again.

Jews give God a bad name.

## John Thompson

When it comes time to elect a president, the presidential candidates that are beholden to the Jewish lobby are presented as credible candidates while the candidates that do not give preferential treatment to Jewish causes, that actually represent their constituents, are portrayed as utter idiots.

I cancelled my cable TV several years ago and do not miss it at all.

All that I pay for now is internet. I have an internet Magic Jack phone that costs me just \$27.00 per year. There are millions of Youtube channels that I can watch for free.

I save money and I don’t waste my time watching the dumbbed down, no morals Zionist propaganda that is broadcast on mainstream T.V.

Good work Bro Nathanael Kapner.

@The Chosen Ones

I will give you some hints of one possibility:

1. What country convicted the banksters after 2008.
2. What country does not have a military.
3. What country wrote themselves a constitution after 2008.
4. What country's police has killed only one citizen in its country's history in self defense.
5. One of the most sparsely populated countries in the world.
6. What country has a doctor for every four citizens.
7. Where is the great chess master Bobby Fischer buried, who had his US passport revoked for playing a chess game in another country unfriendly to the US.
8. What country does not censor the internet like the US and is about to get worse in the US.

I doubt any of the readers here, or anywhere else, have heard of Benjamin Levin.

He was Deputy Minister of Education, 2004 to 2007 and from 2008 to 2009. He was advisor to Kathleen Wynne, Premier of Ontario a radical lesbian and gay 'rights' advocate.

He allegedly helped her pen the controversial 2010 sex-education program for grade schoolers.

A few years ago he was charged with 7 counts of Child Exploitation, including distributing child pornography and aiding in the attempt to seduce a minor, the charges resulting from an investigation in Norway and London On.

Levin is currently on trial, his top notch and very expensive lawyer is Clayton Ruby, of course, as Levin comes from a prominent Manitoba Jewish family. He's plead guilty to some of the charges under condition that others (we can presume the really ugly ones) are dropped.

Why isn't this headline news?

When you follow the money trail all things fall into place.

It works its way down into media, education, mafia, Hollywood so on and on. The great pyramid scam so many branches on the tree.

The Jewish influence has spurred so many events through out history it sickens me. Brother Nathanael is right, Goys are stupid.

Wake up and shake the stupidity from your heads. It is all smoke and mirrors — the poor me syndrome.

"When the blind lead the blind we all end up dead in a ditch" ( Jesus). I like to say, follow a man full of wisdom (Br.Nathanael) for he shall enlighten you in the ways of the world.
